

## Happy New Year LCOC and Welcome to Las Vegas 2023!

LCOC Western Region is starting 2023 off right by sponsoring a weekend of gorgeous cars, great food and fun in fabulous Las Vegas! We could hardly wait to give you the details about this fantastic event! We'll meet and mingle with our Western Region members and their classics from Nevada, but of course, California (or other) members, family and friends and their Lincolns are welcome too.

Thanks to the stellar efforts of our newest board member Scott Balanda we have a full weekend of excitement planned. But don't be dismayed if your schedule only permits you to attend some of the events. Our modular itinerary permits you to register for any or all of the great times on tap.

Read all about it below and then **contact us at [info@lcocwestern.org](mailto:info@lcocwestern.org) by Jan. 25** with your name, email, phone number, number of persons in your party and reservations for Activities 1, 2, 3, 4 or any combination of these events.

For all members who will attend who live outside of the Las Vegas area, drive to Las Vegas early or if possible the day before on Thursday February 2<sup>nd</sup>. You will want to make your own overnight arrangements. A couple of good affordable hotel choices are the Strat Hotel (see below) or the Sahara. Then fasten your seatbelts for a weekend of fun!
